

SARAH TYLER-WALTERS TRANCE MEDIUM

Frequently asked questions

About a distant healing session

1. Can trance healing cure my physical illness?

Trance healing is not a replacement for conventional medical treatment. It is not a cure for any physical condition or disease. It may help you, your body and energetic system cope and deal with the condition and any treatment.

2. How many sessions will I need?

There is no specific number of sessions. You may wish to have an initial session and see how you found it and how you responded and then choose if you would like more.

3. Can trance healing removing a negative attachment?

No. This is not something the trance healing vis Sarah can do. Please see our recommended practitioners list in the website footer. You will find several practitioners listed their who can assist with attachments.

4. Can I have trance healing in person with Sarah?

No. All trance healing is offered distantly only.
